OUR GOVERNOR GENERAL OF INDIA IN COUNCIL.

No. 48 of 1853.—With reference to our Despatch in this Department, dated 24th May last, No. 30, we forward copy of a letter which has been addressed to Her Majesty's Secretary of State for Foreign Affairs by the French Ambassador, stating the decision which has been come to by the Government of His Imperial Majesty in regard to Foreign prohibited goods which may be sent to the Universal Exhibition to be held in Paris in May 1855, and we request that you will give the greatest possible publicity to the liberal

intentions of the French Government, as stated in Count Walewski's letter.

[TRANSLATION.]

London, the 29th of June 1853.

To the Right Hon'ble the Earl of Clarendon, &c., &c., &c.

MY LORD,

With reference to the Universal Exhibition which is to take place at Paris in 1855, several manufacturers have addressed the Minister of the Interior to know, first, whether articles of which the importation is prohibited in France will be admitted at the Exhibition, and secondly, whether on the close of the Exhibition, these articles will be admitted for home consumption, or whether they must be re-exported.

These two questions, my Lord, have received an answer in accordance with the enlightened views which induced the Government of His Majesty the Emperor to decree the Universal Exhibition of 1855. It has been consequently decided, not only that prohibited merchandize shall be admitted to the Exhibition, but also that, after it shall have closed, the exhibitors will have the option either to re-export the said merchandize free of duty, or to enter them for home consumption, on paying a duty of 30 per cent. *ad valorem*.

These conditions will be excluded in the general rules which are now under preparation, but in consequence of the opinions which appear to have been already excited abroad as to the rules affecting prohibited merchandize destined for the Exhibition of Paris in 1855, I have been charged with the honor of informing your Excellency of the resolutions adopted in this respect by the Government of His Majesty the Emperor. Your Excellency will perhaps consider it advisable to give immediate information of this arrangement to the manufacturers and artizans who are subjects of Her Britannic Majesty.

I have the honor to be,

LIGHT OF THE 4TH ORDER WITH A FIXED LIGHT ON THE SMALL ISLAND CALLED PULO CABALLO.

Pulo Caballo is a small Island, which is steep and of little extent, and is distant from the Light-House of the Island Corregidor less than a league; it lies to the South of the Eastern and inner extreme of [illegible] Island, at less than two miles distance, over the whole space of [illegible]h extends a dangerous Shoal, only passable by fishermen. On Pulo Caballo has been erected another Light-House of the 4th order, likewise built by M. Lepaute of Paris, to warn Vessels of the danger of attempting to pass, or of being drifted, between the Islands of Corregidor and Pulo Caballo.

PARTICULARS OF THE LIGHT-HOUSE OF PULO CABALLO.

1. Elevation of the ground above the level of the Sea in Burgos feet, ... 444
   Elevation of the Light-House above the ground, ... 6
   Total Elevation, (7) 450

2. The power of this Light extends to 9 Miles only according to M. Lepaute.

3. The Arc of the Circle, Illuminated by this Light is 200 degrees from East to West, Southerly, whence it follows that Ships gradually lose the light of this additional Light-House when within Pulo Caballo in the interior of the Bay, and they will have to steer by the light of the great Light-house of Corregidor, until close to the anchoring ground of the City of Manilla in front of the River.

4. Bearing S. 15° E. from Pulo Caballo is the small Island of Fraile at 3½ Miles, and the small Light will enable Vessels to pass in dark nights in mid-channel with safety.

5. Both Pulo Caballo as well as the Island of Fraile can be approached with the safety to within ½ a Mile; it is however better to keep in mid-channel considering the great force of the set of the tides.

OBSERVATIONS AND BEARINGS TAKEN FROM THE SMALL LIGHT-HOUSE OF PULO CABALLO OF VARIOUS REMARKABLE POINTS WITHIN AND OUTSIDE OF THE BAY.

The small Island of Fraile,	S. 15°	E.
Point, Limbones,	South,	
Island of Carabao,	S. 3°	W.
Point of Fuegos,	S. 12°	W.
Small Island of Fortun,	S. 21°	W.
Southern Point of Corregidor in one with the flat-topped rock of Monja,	N. 83°	W.

REMARKS.

All the foregoing bearings are true bearings, and the few Minutes of Easterly variation of the Needle that exist on this Coast, are very insignificant.

(Signed) ANTONIO DE URBIZTONDO.

MANILA, 18th *January* 1853.

FANAL DE CUARTO ORDEN Y LUZ FIJA EN EL ISLOTE NOMBRADO PULO CABALLO.

Pulo Caballo es un islote muy escarpado y de corta estension, que dista del fanal de [illegible] isla del Corregidor menos de una legua, y hace al Sur del estremo oriental ó interior de dicha isla á menos de 2 millas advirtiendo que por tal espacio se prolonga un bajio peligroso, que no dá paso mas que á pescadores. En este Pulo Caballo se estableció otro fanal de 4°. órden construido tambien por Mr. Lepaute de Paris para resguardar á los buques del peligro de encontrar la isla del Corregidor y Pulo Caballo.

INCIDENTES DEL FANAL DE PULO CABALLO.

1°. Elevacion del terreno sobre el nivel del mar en pies de Burgos, ... 444
   Elevacion del fanal sobre el terreno en su pedestal, ... 6
   Elevacion total, ... 450

2°. La fuerza de refulgencia de la luz de este faro solo es de 9 millas segun Mr. Lepaute.

3°. El arco de circulo iluminado que presenta este fanal es de 200 grados y se colocará de Este á Oeste dando frente al Sur, resultando por tanto que los buques llegarán á perder de vista la luz de este fanal adicional, al estar dentro de Pulo Caballo en la parte interior de la bahia, y seguirán con solo fanal grande del Corregidor, hasta la inmediacion del fondeadero de la ciudad de Manilla frente al rio.

4°. Al S. 15 E. de Pulo Caballo está el islote Fraile á 3½ millas, y el fanal pequeno servirá tambien para promediar en noches oscuras la distancia con seguridad.

5°. Tanto Pulo Caballo como el islote Fraile se pueden atracar con seguridad hasta ½ milla de distancia; pero es mejor promediarla en resguardo de la mucha fuerza que suelen tener las corrientes de mares.

ARRUMBAMIENTOS O MARCACIONES TOMADAS DESDE EL FANAL PEQUENO DE PULO CABALLO A VARIOS PUNTOS NOTABLES HACIA INTERIOR Y FUERA DE BAHIA.

Isla de Fraile,	S. 15°	E.

NOTA.

Todos los rumbos espresados son verdaderos, pues son insignificantes los pocos minutos de variacion magnética de la aguja al N. E. que hay en esta Costa.

In the absence of the Soonderbuns Commissioner from Allipore, such applications will be received either by the Revenue Commissioner of the Jessore Division or by the Board of Revenue.

Clause 2.—Should there be more than one applicant for the same grant, it shall be put up to sale after a further advertisement in the *Calcutta Gazette* of 15 days, and the application of the highest bidder shall be submitted as above provided.

RULE II.

Second,—That the remaining three-fourths of the Grant shall be held free of assessment for 20 years from the 1st May,——and shall afterwards be subject to an annual revenue charge at the following rates, namely :

From the beginning of the 21st to the end of the 30th year, half an anna the beegah of 1,600 square yards.

Third,—That at any period after the expiration of the 20th, and before the expiration of the 30th year, the Government may make a survey and measurement, and in like manner the Grantee may require that a survey and measurement be made, with the view of ascertaining the exact area of the lands contained in the Grant, and that the Revenue conditioned in the preceding article shall henceforth be calculated upon the area ascertained by such survey. The expense of such survey shall be defrayed by the party at whose instance the survey may be made. Provided, that until such survey be made, or if no such survey be made, the Revenue conditioned in the preceding article shall be calculated on the area specified in the first clause of this Pottah.

Sixth,—That the Revenue payable under the third and fourth terms of the pottah shall be paid into such Treasury as the Government may determine, or to such Collector or other Government Officer as may be appointed by the Government to receive it on the dates specified on the reverse of the cuboolyat or counterpart of this pottah, and that in default, the Revenue shall be recoverable from the Grantee, his heirs, executors or assigns, by the process that now is, or hereafter may be in force for the recovery of arrears of Government Revenue.

Seventh,—That the Grantee shall not in any way interfere with the passage of boats through any open River or Nullah traversing his Grant, and shall allow a sufficient space along the banks of all such Rivers or Nullahs, for towing-paths.

RULE III.

Clause 1.—Grantees or their representatives holding Grants on leases in perpetuity under the Rules hitherto in force shall have the option of throwing up their existing leases and taking other leases according to these Rules, terminable in 99 years from the date on which their existing leases commenced.

Clause 2.—Grantees so electing to commute their present Grants for settlements terminable in 99 years, shall pay Revenue at the rate of 2 annas per beegah from the commencement of the current year, for all lands already brought under assessment to Government.

Clause 3.—In cases in which a rent-free term was originally granted for 20 years, and, that term having expired, a further rent-free term has been granted, the Grantee, if he commutes as above, shall waive all claim to continued rent-free possession, and shall pay half an anna per beegah on the whole of his Grant, (after deducting the prescribed one-fourth) from the beginning of the ensuing year, and one anna per beegah from the commencement of the 31st year from the date of the original lease, and thenceforward according to the scale prescribed in Rule II.

Clause 4.—In cases in which a rent-free term was granted for 20 years, and, that term not having expired, a further rent-free term has been promised, the Grantee, if he commutes as above, shall waive all claim to such extended rent-free term, and shall pay Revenue for the lands of his Grant from the commencement of the 21st year, according to the scale prescribed in Rule II.

Clause 5.—Persons desirous of availing themselves of the option given by this rule must signify their desire by application to the Soonderbuns Commissioner within one year from the date of these Rules, that is to say on or before the 24th day of September 1854.

RULE IV.

When a Grant is resumed under Article 5 of the terms of lease, the lands found to be actually under cultivation shall be measured and settled with the cultivators or under-tenants, as the case may be, at such rates as may appear equitable to the Revenue authorities, reference being had to the circumstances under which the cultivators or under-tenants were located; and in the event of a new lease being given for the resumed Grant, the lands so settled with the occupants shall be included in, or excluded from the lease as may be deemed most suitable. Provided however that when cultivated lands are included in a lease, the terms of assessment in Rule II. shall be applicable only to the uncleared lands; and separate provision shall be made for the assessment of the cultivated land at the discretion of the Board of Revenue.

By order of the Most Noble the Governor of Bengal,

CECIL BEADON,

Secy. to the Govt. of Bengal.

General Orders by the Most Noble the Governor General of India in Council.

Fort William, the 5th October 1853.

No. 799 *of* 1853.—The following Notifications from the Home and Foreign Departments are re-published in General Orders:—

No. 651.

Fort William, Home Department,

The 3rd October 1853.

Notification.—The Most Noble the Governor General of India in Council is deeply grieved to announce the decease of the Hon'ble James Thomason, the Lieutenant Governor of the North-Western Provinces.

The Lieutenant Governor has long since earned for himself a name, which ranks him high among the most distinguished servants of the Hon'ble East India Company.

Conspicuous ability—devotion to the public Service—and a conscientious discharge of every duty, have marked each step of his honourable career, while his surpassing administrative capacity, his extended knowledge of affairs, his clear judgment, his benevolence of character and suavity of demeanour, have adorned and exalted the high position which he was wisely selected to fill.

The Governor General in Council deplores his loss with a sorrow deep and unfeigned; with sorrow aggravated by the regret that his career should have been thus untimely closed, when all had hoped that opportunities for extended usefulness were still before him, and that fresh honor might be added to his name.

The Most Noble the Governor General in Council directs that the Flag shall be lowered half-mast high, and that seventeen minute guns shall be fired at the respective seats of Government in India, so soon as the present Notification shall have been there received.

No. 4251.

Fort William, Foreign Department,

The 3rd October 1853.

Notification.—The Most Noble the Governor General in Council, having discharged the painful duty of announcing the death of His Honor the Lieutenant-Governor of the North-Western Provinces, is impelled by a sense of the double loss which the State has at this time sustained, to depart from ordinary course, in order that he may further bear a public testimony to the merits and character of the gallant Soldier who has lately fallen by an assassin's hand.

The reputation of Lieut-Colonel Mackeson as a Soldier is known to, and honored by, all. His value as a political servant of the State is known to none better than to the Governor General himself; who in a difficult and eventful time had cause to mark his great ability, and the admirable prudence, discretion, and temper which added tenfold value to the high soldierly qualities of his public character.

The loss of Colonel Mackeson's life would have dimmed a Victory. To lose him thus by the hand of a foul assassin, is a misfortune of the heaviest gloom for the Government which counted him among its bravest and best.

No. 800 *of* 1853.—The under-mentioned gentleman is admitted to the Service, in conformity with his appointment by the Honorable the Court of Directors, as a Cadet of Infantry on this Establishment, and promoted to the rank of Ensign, leaving the date of his Commission for future adjustment.

III. Unless the Governor General of India in Council shall fix any different rate of valuation, by notice to be published as aforesaid: articles of import liable to ad valorem duty under this Act shall be valued, for the assessment of such duty, at the rates, if any, fixed in the Tables established from time to time by the Governor of Bengal for the valuation of such articles for the assessment of Customs duty thereon at the ports of the Presidency of Bengal.

ACT NO. —— OF 1853.

An Act relating to the execution of Sentences in petty cases by Superintendents of Bazaars in the Presidency of Bombay.

WHEREAS the rule which prohibits a Superintendent of Bazaars in the Presidency of Bombay from executing any sentence in the Criminal or Excise branches of his duties, until he has submitted his proceedings to the Commanding Officer, and which requires that trials before a Superintendent of Bazaars shall be recorded as usual on Courts Martial, has been found to be productive of unnecessary inconvenience and delay in petty cases, and it is expedient to abolish the rule in such cases: It is hereby enacted as follows:

I. So much of Section 30, Regulation XXII., 1827, of the Bombay Code, as enacts that the Superintendent of Bazaars shall not execute any sentence in the Criminal or Excise branch of his duties until he has submitted his proceedings to the Commanding Officer, and that his trials shall be recorded in writing as usual on Courts Martial, is hereby repealed so far as it shall relate to any sentence which shall hereafter be passed by any Superintendent of Bazaars by which any fine not exceeding three rupees, or any imprisonment not exceeding three days, shall be ordered.

FORT WILLIAM,
GENERAL TREASURY,
The 30th September 1853.

J. T. HARVEY, *Sub.-Treasurer.*

No. 811 *of* 1853.—Her Majesty's 81st Regiment of Foot is brought on the Establishment of this Presidency from the date of its arrival at Fort William.

Fort William, the 8th October 1853.

No. 812 *of* 1853.—The under-mentioned Officer has returned to his duty on this Establishment, without prejudice to his rank, by permission of the Hon'ble the Court of Directors.

	Date of Arrival at Fort William.
Major James Stephen Davies, of the 32nd Regt. Native Infantry.	2nd October 1853.

Fort William, the 11th October 1853.

No. 813 *of* 1853.—The following paras. of a Military Letter, No. 96, from the Hon'ble the Court of Directors to the Governor of the Presidency of Fort William in Bengal, dated 10th August 1853, are published for general information:—

Letter dated 23rd April 1853, *No.* 91.

Advert to No. 295 of 1852 and Court's reply thereto, and request further instructions on the following points relative to the grant of Subsistence Allowance and Passage Money to Officers dismissed the Service or permitted to resign in order to avoid a Court Martial, viz.:—

1*st.*—Whether the grant of Subsistence Allowance and also of Passage Allowance is admissible only to Officers who may be dismissed or cashiered by sentence of a Court Martial, or whether they are applicable also to Officers permitted specially to retire in order to avoid a Court Martial; of course under the condition in both cases that the Officer elects to return to Europe (or proceed to one of the Colonies mentioned in the order of 1851), and that he embarks within six months from the date following that on which the order for his dismissal or retirement is received at the station where he may be quartered.

4. These advantages are admissible to Officers who are permitted to resign the Service as the alternative to being tried by Court Martial, as well as to those who are removed from the Service by sentence of Court Martial, and under the conditions specified by you.

2*nd.*—Whether such Subsistence Allowance may be given in advance, or whether according to usage it must be paid in arrear.

5. The Subsistence Allowance is to be paid monthly in arrear, according to usage, and up to the date of embarkation, provided it does not exceed six months from the time when the Officer was struck off the list of the Army at the station at which he was serving.

3*rd.*—Whether it is to be regarded as indispensable, that in order to obtain the grant of Subsistence or Passage Allowance, Officers must proceed to Calcutta, Madras, or Bombay, and there place themselves under charge of the Town Major at each place respectively; or whether, in cases where it is manifestly for the interest of the Officers to embark at ports other than the Presidency Towns, a certificate of embarkation from the Station Staff or some other responsible Officer will be sufficient authority for passing the Allowance to the Owners or Agents of the Ship on which they embark.

6. We approve of the alteration suggested in this question, so as to allow of the persons in question availing themselves of the nearest port of embarkation.

No. 814 *of* 1853.—The following para. of a Military letter, No. 96, from the Hon'ble the Court of Directors to the Governor of the Presidency of Fort William in Bengal, dated the 10th August 1853, is published for general information:—

12. We approve of the order quoted by you that "such measures may be taken as will ensure that no Officers may be appointed to accompany Invalids returning to England save those whose state of health at their departure permits the performance of the duties demanded of them." Subject to this limitation, it is desirable that Officers returning on account of their health should be eligible for this employment during the voyage.

Letter dated 25th April 1853, No. 92. 56 and 58. Correspondence on the subject of the Officers to be selected for the charge of Invalids on the voyage home.

No. 815 of 1853.—The following para. of a Military letter, No. 96, from the Hon'ble the Court of Directors to the Governor of the Presidency of Fort William in Bengal, dated the 10th August 1853, is published for general information:—

25. We are of opinion that it is not advisable to make it compulsory on any Officers holding unattached Commissions to subscribe to the Military Fund.

Letter dated 20th April 1853, No. 99. Transmit copy of letter from the Secretary, Bengal Military Fund, on the subject of subscription to the Fund of Officers holding unattached Commission of Captains, being compulsory.

No. 816 of 1853.—The under-mentioned Officers are permitted to proceed to Sea, on Medical certificate, and to be absent from Bengal on that account for two years, respectively:—

Lieutenant John Smith, of the 44th Regiment Native Infantry, Adjutant 4th Irregular Cavalry, to the Cape of Good Hope and Australia.

Surgeon William Hamilton Brown Ross, of the Medical Department, to Sea, the Cape of Good Hope and Australia.

No. 818 of 1853.—Her Majesty's 52nd Regiment of Foot is brought on the Establishment of this Presidency from the date of its arrival at Fort William.

Draft Act,— 1.)

Fort William, Home Department, Legislative,

The 7th October 1853.

The following Draft of a proposed Act was read in Council for the first time on the 7th of October 1853.

Act No. —— of 1853.

An Act relating to the execution of Sentences in petty cases by Superintendents of Bazaars in the Presidency of Bombay.

Whereas the rule which prohibits a Superintendent of Bazaars in the Presidency of Bombay from executing any sentence in the Criminal or Excise branches of his duties, until he has submitted his proceedings to the Commanding Officer, and which requires that trials before a Superintendent of Bazaars shall be recorded as usual on Courts Martial, has been found to be productive of unnecessary inconvenience and delay in petty cases, and it is expedient to abolish the rule in such cases: It is hereby enacted as follows:

I. So much of Section 30, Regulation XXII., 1827, of the Bombay Code, as enacts that the Superintendent of Bazaars shall not execute any sentence in the Criminal or Excise branch of his duties until he has submitted his proceedings to the Commanding Officer, and that his trials shall be recorded in writing as usual on Courts Martial, is hereby repealed so far as it shall relate to any sentence which shall hereafter be passed by any Superintendent of Bazaars by which any fine not exceeding three rupees, or any imprisonment not exceeding three days, shall be ordered.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India, after the 7th day of January 1854.

ACT No. —— OF 1853.

An Act relating to the execution of Sentences in petty cases by Superintendents of Bazaars in the Presidency of Bombay.

WHEREAS the rule which prohibits a Superintendent of Bazaars in the Presidency of Bombay from executing any sentence in the Criminal or Excise branches of his duties, until he has submitted his proceedings to the Commanding Officer, and which requires that trials before a Superintendent of Bazaars shall be recorded as usual on Courts Martial, has been found to be productive of unnecessary inconvenience and delay in petty cases, and it is expedient to abolish the rule in such cases; It is hereby enacted as follows:

I. So much of Section 30, Regulation XXII, 1827, of the Bombay Code, as enacts that the Superintendent of Bazaars shall not execute any sentence in the Criminal or Excise branch of his duties until he has submitted his proceedings to the Commanding Officer and that his trials shall be recorded in writing as usual on Courts Martial, is hereby repealed so far as it shall relate to any sentence which shall hereafter be passed by any Superintendent of Bazaars by which any fine not exceeding three rupees, or any imprisonment not exceeding three days, shall be ordered.
